\*\* Successful tip for the year ahead- There may be homework assignments that require your child to use crayons, scissors, and glue. It is suggested to have these items at home. ☺

\*\*\*Although the school provides the materials and supplies for basic instructional activities, the optional supply items on this list will allow your child to have an enhanced educational program. If there is a hardship, please let us know. We appreciate your commitment to the education of your child and with your help; we can provide a great program for the students here at Diplomat Elementary School.
